**INVITATION FOR BID
CP # 0743
ADDENDUM NUMBER 2**

**IFB #CP 0743
EXHIBIT FABRICATION AND INSTALLATION SERVICES FOR
THE BLUE RIDGE PARKWAY VISITOR CENTER
AT VIRGINIA'S EXPLORE PARK**

Addendum # 2 is being issued for the following reason:

To answer the questions we have received and any questions addressed at the pre bid meeting on December 20, 2006.

- **Question:** Is Explus bidding on the fabrication of this exhibit?
- **Answer:** Explus will not be able to bid on the fabrication of the exhibit. The Virginia Procurement Act does not allow design/build projects.
- **Question:** On page 12; X; 2. of the solicitation it states a bond will be required within 60 days and on page 26; 22; 22.1 it says within 10 days. Which one is correct?
- **Answer:** The bid bond is due with the bid. The County will make a decision with-in 60 days of the bid opening with a notice to proceed. Within ten (10) consecutive calendar days from the receipt of written notice from the Roanoke County Purchasing Office, the successful Bidder shall execute the Contract with and furnish to the County of Roanoke the required bonds.
- **Question:** Is a Virginia Contractors License a requirement?
- **Answer:** Per the Virginia Department of Professional and Occupational Regulations in Richmond, VA this project does require a Virginia Contractors License with the correct class A, B or C. For questions regarding license requirements you can call 804/367-8511 x 6 or go to www.dpor.virginia.gov
- **Question:** Commercial Vehicles on the Blue Ridge Parkway
- The bidder's commercial vehicles will be allowed on the Blue Ridge Parkway for the purpose of the delivery and completion of this project.

A copy of the Final Design of the Blue Ridge Parkway Visitors Center is available on CD by request to mpowell@roanokecountyva.gov You may also request a copy in zip file which can be e-mailed to you by contacting Debbie Pitts at dpitts@roanokecountyva.gov

The exhibit area will be ready for the installation. Very little preparation will be necessary to have the area completed prior to delivery. To make arrangements to see the exhibit areas contact Debbie Pitts at 540/427-1800 x 322 or Marcha Powell 540/772-2061 x 308.

The exhibit does require the construction or purchase of a small-scale Conestoga wagon and a river bateau boat for display in vitrines. If necessary, Virginia's Explore Park will provide the fabricator with names of local craftsman, available as subcontractors, skilled in model making. This is artifact that the Virginia's Explore Park does not have.

END OF ADDENDUM # 2
